Volunteers thanked for giving up their time

BARKING and Dagenham Council took Nation Volunteers Week as an opportunity to thank all those who had given their time to work for others in the past, with a chance to encourage more people to volunteer in future.

The authority held a series of drop in sessions for people to learn more about the opportunities which exist for volunteering.

It had session at Barking Learning Centre last Monday, one at the Ripple Centre on Tuesday and one on Wednesday at Dagenham Library.

The sessions were led by the council, the Volunteering Bureau and the CVS.

There were helpers on hand to answer questions and the council's new volunteering leaflet was ready to be picked up.

MP ACTION IN GOBLIN FIGHT

By Pat Jones

barking@yellowad.co.uk

COMMUTERS are optimistic that Chancellor George Osborne might fund a replacement for their smokey diesel train in his June spending review.

Members of Barking Gospel Oak Rail User Group (BGRUG) have been calling for action for 10 years.

But they hope intervention from Walthamstow's Labour MP Stella

Creasy could help loosen Treasury purse strings for the Gospel Oak Line out of Barking.

The MP has written to Chancellor asking him for action, and said: "It makes little sense to be investing in projects like Crossrail and the Tube update, when a large section of London continues to be served by diesel trains.

"The continued use of diesel also has negative environmental effects.

"The project has been shown to be value for money and would benefit the city as a whole."

Glenn Wallis BGRUG secretary said he was delighted with the MP's backing and the support the campaign has gathered in recent months.

It is supported by Transport for London and Network Rail who have offered £35million towards the project.

The London Assembly is also in

favour with former assembly transport committee chair, Lib Dem, Caroline Pidgeon and other Labour members writing to the chancellor.

The government has confirmed the cost of the scheme could be as much as £90m, although campaigners insist it is less.

Ms Creasy is asking for the chancellor to put back in the upcoming round of spending later this year to re-consider.

Be summer smart and enjoy alcohol-free drinks

If you want to enjoy your beer or wine without the calories this summer then look no further than Sorelle and Equator's exceptional alternatives.

Low-calorie, alcohol-free wine alternative Sorelle makes summer occasions special as this light and refreshing alternative gives you a delicious wine experience with just 30 calories a glass* - 65 per cent less than a standard glass of wine.

The ultimate guilt-free indulgence this summer is your secret weapon for social summer fun, whether an impromptu gossip with girlfriends, alfresco dinner in the park or relaxing with a glass after work.

The definitive alternative to wine, priced at just £3.49 per bottle, is available in two delicious great-tasting flavours; a crisp, zesty Sauvignon Blanc and floral Rosé, giving you the genuine taste of wine without the alcohol.

Equator's zero per cent calorie and zero per cent alcohol beer is also the perfect summer alternative for those who want to enjoy the taste of beer but are watching their calorie intake. Compared to around 135 calories in an

average bottle of beer, Equator is the ultimate guilt-free indulgence, and is fantastic value-for-money at just £3 per four pack.

Also, with zero per cent sugar per bottle, Equator is your secret for social summer fun, whether catching up with friends, relaxing by the barbecue or treating yourself to a refreshing bottle at the end of the day.

Long serving helpers collect top accolades

A PAIR of voluntary workers who give up their time to help disabled people have won a top award.

Bobby Bevan and Pam Springford are both long standing volunteers at DABD UK, Barking and Dagenham's disability group.

The pair have volunteered for the transport department of the charity for 12 and eight years respectively.

Both were presented with the Henry Cooper Award for volunteering on Wednesday at a celebratory lunch at Brewers Fayre restaurant, Dagenham.

The presentation was made by MP Margaret Hodge in the presence of Mr Cooper's widow, Anne.

Mrs Hodge also presented a corporate volunteering award to managers from the Dagenham branch of Premier Inn and Brewers Fayre whose staff donated their time to redecorate one of DABD's local branches in November.

The other award, for innovative volunteering, was given to Susanna Wallis from Growing Communities Starter Farm, that produces organic vegetables at their farm in Rainham Road North, Dagenham.

Commuter collection

COMMUTERS from east London and south Essex have donated almost £1,600 to London's Air Ambulance from a collection drive at Fenchurch Street.

The charity, which delivers an advanced trauma team to critically injured people in London, has moved to new offices close to the station and a team of volunteers and staff collected donations from passengers on Friday May 24.

National Express train operator c2c backed passengers by donating £461 towards the total, after staff chose London's Air Ambulance as the charity they wanted to benefit from c2c's annual employee survey.

Bookies goes green for charity

BOOKMAKER Coral in Dagenham raised £812 for Macmillan – contributing to £500,000 raised by the company nationwide.

Last Monday staff painted the local office green to celebrate the successful campaign and launched a prostate cancer awareness campaign for Dagenham to mark male cancer awareness month.

The number of children coming into care has been increasing every year, but there are not enough foster carers able to give them a safe home. A child comes into care and needs a foster home every 22 minutes in the UK, so more foster families are needed urgently to provide a warm and loving environment to vulnerable children in the community.

Some children need a safe place to stay for only a few nights, whilst others might stay in long-term foster care until they are grown up. It is important that children who require care have foster carers who can meet their needs, so foster children are matched very closely with carers to help ensure that the placement will be successful.

Could you make a difference and become a foster carer?

- You may be married, live as a couple, be single or divorced
- You may be gay or heterosexual
- You may be from any ethnic background, culture or religion
- You may be employed, unemployed or early retired
- You may be a home owner or a tenant
- You do not need any formal qualifications to become a foster carer

What you will need is a spare bedroom for the exclusive use of the foster child, patience and flexibility, and the time and energy to invest in a child or young person.

Caroline's story:

My name is Caroline. I am 49 years of age and a single parent to two daughters, aged 22 and 12. I have been a foster carer for eleven years and have been with my current agency for five years now. I became a foster carer because I wanted to make a difference and support vulnerable children; I felt as a parent I was naturally equipped with motherhood, so caring for less privileged children came as second nature.

'For me, the best part was knowing that I could make a positive impact in the children's lives and help them change things for the better'

My first foster child stayed with me for only a short time, but the trust and love that developed between us remains today. She still visits regularly as a part of our family, now with a child of her own! I then became a long-term foster carer to three brothers, Christopher (11), David (10) and Billy (7). All of the boys are now grown up and living independent lives.

I cannot say it was always easy – there were many difficult times – but perseverance, persistence and patience became rewarding. For me, the best part was knowing that I could make a positive impact in the children's lives and help them change things for the better. Seeing the children grow into independent and intelligent individuals has brought me satisfaction and helped me to become a better person.

All of this would not have been possible had it not been for the support network around me – my family and friends, and my supervising social worker, Cathy. Her wealth of knowledge and professionalism has helped me enormously. I recently completed 5 years of service with the National Fostering Agency and was presented with an award at a ceremony in London! I would like to thank my agency for their support, and express my gratitude to all those carers who take the time to make a difference.

Ben's story:

I was brought up in care and I moved away from my family when I was 10 years old. I didn't have a great time to start off with; I moved a lot and also changed schools, which was pretty rubbish at the time. When I was 13, I moved in with some foster carers that I really liked! They listened to what I had to say and really cared about me. I was at a new school with loads of new friends, and I really wanted to stay.

After a few years at school I got my GCSEs and they were really important to me, as I wanted to get into college and study for my A-Levels. I now have my A-Levels under my belt and I'm looking to go to university soon.

I really like to exercise and I'm always out and about – running, swimming and going to the gym. When I'm not exercising or working you will find me in the living room playing FIFA with my foster brother...and he always wins!

Could you offer a child a safe place?

The most important ingredient in fostering is YOU

You can apply to be a foster carer regardless of your marital or residential status. What you will need is a spare room and the time and energy to invest in a child or young person.

To find out more, come along to our Fostering Information Evening:

Tuesday 11th June, 7pm-9pm,
with presentation at 7.15pm.

Club celebrates cinema victory with Hitch film

CAMPAIGNERS are celebrating saving historic EMD cinema with a special screening of film by Alfred Hitchcock – who watched movies there when he was a boy.

The McGuffin Film Society, which fought for ten years to save the Walthamstow cinema from conversion to a church, is marking last week's Government decision to preserve it, with a free showing of a film about the area made by the master of suspense.

The group will show the feature-length documentary 'Alfred Hitchcock in East London' which is about the legendary director's Waltham Forest roots and inspirations.

"This is a great opportunity to thank everyone in the borough who has supported the campaign to save the EMD Cinema and a chance to celebrate Waltham Forest's unique legacy as the birthplace of the world's most famous film director," said McGuffin spokesman Bill Hodgson.

Hitchcock was born

above his father's Leytonstone grocery store in 1899 and is believed to have watched films on the EMD site as a boy. He went on to create some of the most influential and enduring films of all time and last year the British Film Institute voted his 1958 masterpiece Vertigo as the greatest movie ever made.

The screening of 'Alfred Hitchcock in East London' is being held as part of Waltham Forest Council's Love Your High Streets weekend. It is free entry, on Saturday, June 8 at O'Neils Music Venue, 762 Leytonstone High Road, London E11. Doors open at 5pm.

Further details about the show can be found at www.mcguffin.info.

To view the full line-up of Love Your Streets events you can visit www.waltham-forest.gov.uk/loveyourhighstreet.

Street enters the digital age

A SHOPPING street is getting a virtual shot in the arm.

An East London digital design company, Red Leader has been commissioned to create a brand and website for Walthamstow's Wood Street.

It is being funded by Waltham Forest Council and the Mayor's Outer London Fund, as part of a larger regeneration scheme.

Red Leader found a collection of shopkeepers who had been largely bypassed by technology. Half of

the businesses did little or no marketing, had no email addresses and relied on traditional methods to promote themselves.

The majority could not afford a website and many felt negatively about the area following the downturn in the economy.

Project manager Stephanie Fox said: "Our aim was to create a sense of identity to help ignite and foster a sense of pride in the area and local community.

"Making a difference means

changing the perception of an area. We've shown it to be vibrant and not in decline."

Now the shops work under the heading 'We Are Wood Street' with the slogan 'We are Friendly, We are Independent, 'We are Local'. The street has many independent shops and is home to an indoor market – itself full of eclectic businesses from neon signs to handmade soap and jewellery to football memorabilia.

The website will have a shops directory where each owner can have a page to update with information. "The new website shows the quirky nature of the street perfectly," said Becky Leaman, from Waltham Forest Regeneration.

Indoors pass savings on to customers

WHILE bespoke kitchens, bathrooms and bedrooms give you made-to-measure beauty, they do not have to cost you the earth.

You may think creating a dream kitchen from scratch will cost you a fortune, or calling on skilled craftsmen to transform the look of your bedroom will be a costly job, but you really couldn't be further from the truth.

This is because Indoors has built up such experience over the years creating their own furniture, they have gone out of their way to pass on savings to their customers.

With their own workshop using the latest technology, and their own skilled craftsmen, they can create a wide range of furniture and fittings for your home at less than the cost you would expect.

Its extensive kitchen services allow you to either create a whole new kitchen, right down to your own dimensions and needs, or give your existing one a complete new look with new doors, worktops and extra cupboards.

The company, based in South Ockendon, has a great design team who can discuss your requirements and your budget, and even come up with ideas you may not have thought about, before putting together a no obligation plan and a

price estimate.

They can then fine tune everything from the layout to the finished look including colour, handles and worktops, and all the accessories you will need.

If your bedroom is in need of a new look then cut

the cost of getting new furniture by using the company's replacement door service that has an extensive range of different styles and colours to choose from. If your existing furniture has seen better days then leave your dream bedroom in the hands of Indoors

who can create complete new wardrobes as well as matching dressing tables, bedside cabinets and headboards.

You can also leave your bathroom in their capable hands for which they can build your furniture using the latest technology, whether you are looking for something traditional or much more modern.

Indoors prides itself on its innovative designs and individual service, which all go towards giving your kitchen, bedroom or bathroom a personal feel.

Their skilled and experienced team ensure complete customer satisfaction at all times, right through to fitting, and if you want to install yourself then they offer a supply only service.

For further information about Indoors call into their showroom at Aveley House, Arcany Road, South Ockendon, call them on 01708 671199, or visit www.indoorsessex.co.uk

Essex see off Scots and Surrey

RYAN ten Doeschate and Hamish Rutherford dominated at the crease as Essex beat Scotland by 125 runs in the Yorkshire Bank 40 Group B match at Chelmsford.

The home side reached 368 for seven – their highest 40-overs total. Scotland responded with 243 for eight.

Ten Doeschate's 180 was his best limited-overs score for Essex and New Zealand international Rutherford marked his Essex debut with 110.

The pair were supreme during an innings that included 23 sixes and 23 fours.

Rutherford launched his Essex career with a wonderful century of clean and powerful hitting off just 88 balls.

The partnership finally ended when Rutherford was caught going in search of another boundary with the score on 279, while ten Doeschate's innings came to a close four overs later when he was bowled by Michael Leask.

Scotland had actually started well. Tom Westley was bowled out on the fourth ball of the match while Owais Shah, making his first appearance after his stint in the Indian Premier League, was also dismissed for a duck after Mark Pettini had been caught for 23.

At that stage the Eagles were 49 for three in the 11th over but that was the final cause for celebration for the Saltires bowlers.

Essex retained their control of the match when they took the first four Scotland wickets inside the opening 10 overs for just 55 runs.

Preston Mommsen joined Ewan Chalmers in a well-constructed 64-run partnership before man-of-the-match ten Doeschate took a hand once more. He removed both batsmen in successive overs leaving the visitors on 124 for six and then ended a 39-run stand for the seventh wicket when he ran out Moneeb Iqbal.

■ Graham Napier recorded sensational figures of 7-32, including four wickets in four balls, to help Essex to a 178-run victory over Surrey in the Yorkshire Bank 40 at Chelmsford.

The English all-rounder treated the Essex crowd to a dazzling display with the ball to leave Surrey in tatters.

After clean bowling Jason Roy (2) and Ricky Ponting (2) in his opening spell, Napier returned to remove Azhar Mahmood (36), Zander de Bruyn (0), Tom Newell (0) and Jon Lewis (0) in successive balls in an incredible over.

The feat reduced Surrey to 113-8 in response to Essex's imposing 312-7 and from there, there was no way back.

Napier struck again in his next over with the wicket of Stuart Meaker to register the second best-ever List A bowling figures for any Essex player, and David Masters sealed an emphatic win with the wicket of Gary Keedy.

Earlier, Owais Shah and Ravi Bopara had led the scoring for the home side, with Shah playing a superb innings of 68 from 53 balls including three sixes and four boundaries.

Bopara warmed up for the ICC Champions Trophy with 54 from 58 balls, with five boundaries and a six, sharing a 55-run partnership in just 27 balls alongside Shah.

YOUNG ATHLETES PUT UP A FIGHT

Athletics

YOUNGSTERS from Woodford Green A.C. with Essex Ladies and support from Ilford A.C. contested the second Youth Development League match at Ashton Playing Fields on Saturday.

It was a close fought event with the home club finally coming third with 505 points behind Havering Mayesbrook with 517 and Bedford with 513 out of the eight competing teams. Star of the home team was Stephanie Howe, who won the girls U15 hammer with a huge 58.83m and also came third in the shot with 7.69m.

Stephanie is coached by her father Chris Howe, for many years a member of the club's British League team. There were wins for Aaron Toppin in the Boys U15 100m with 11.9 sec and Pearce Christie in the Boys U15 200m in 24.4 sec. Aaron also won the B 200m.

In the Boys U15 age group there were further wins for Canaan Solomon with 2min 5.2 sec in the 800m, Shane Dewar with 1.65m in the high jump and Dominic Langley with 1.50m in the B, high jump.

In the Boys U13 age group there were first places for Rayne Allen in both the 100m in 13.8 sec and 200m in 28.3 sec. Rayne also took third place in the shot with 5.63m.

In the class for girls U15 Naomi Browne won the high jump with 1.53m and also won the B 100m with 13.1 sec. The B 200m was won by Karina Hope-Bruce in 28.1 sec.

mances in the 800m, with Rosie Poole being narrowly beaten into second place in the A race in 2min 28.9 sec while Isabella Hoy won the B race in 2min 31.4 sec.

In the 1500m, there was a good third place for Jodie Ratcliffe in 5min 07.2 sec. Phoebe Fuhr won the pole vault with 2.00m while Katie Petyt came second in the long jump with 4.68m.

The U13 girls collected a clutch of points with Molly Gardner winning the high jump with 1.25m,

the shot with 7.05m and gaining second place in the 150m with 21.2sec.

Kyesha Robinson came second in the 1200m in 4min 10.2 sec and Megan Caswell took fourth place in the 800m with 2min 46.6 sec.

Finally there was a great win for Brandon Shieburn, Shane Dewar, Pearce Christie and Aaron Toppin in the 4 x 400m sprint relay in 47.4 sec. The final score moved the local team to fourth place on the Southern-North table.

Girls' Football

Trials at Centre of Excellence

FLOODS of applications are pouring in for the Essex County FA Female Centre of Excellence (CoE) trials.

More are expected to arrive before the deadline at 5pm, Wednesday, June 12.

Girls aged from seven to 17 have the opportunity to take part in sessions at Shrub End Sports and Community Centre in Colchester. Forms are being collected following news that Essex has gained an exclusive licence to be a centre, one of only 31 in the whole of England.

Now the search is on for around 80 players to fill the playing programme, which involves four hours of training a week and weekly fixtures.

There are opportunities for exceptional talents to be recognised as 22 games against the likes of Chelsea, Arsenal, Middlesex, and Brighton are observed by FA national scouts, with elite players progressing through to Regional Elite Performance Camps and England training camps. The CoE is not only committed to the development of the players, but to the progression of its staff so they can have fun, learn and achieve to be the best they can be.

Trials will be held on Friday, June 14, 5-9pm; Sunday, June 23, 9am-5pm (invitation). An application form can be downloaded from www.essexfa.com.

Hammers bid for striker rejected

WEST HAM have had an offer for Sevilla striker Alvaro Negredo rejected by the Span- ish club.

The Premier League side, it is being claimed, offered £14.5m for the 27-year-old forward, who last season scored 31 goals in all competitions.

Sevilla president Jose Maria Del Nido said: "West Ham offered 17m euros in cash with more in incentives but we do not value the offer and the player refused."

Del Nido explained the club are under no pressure to sell after agreeing a £24m deal to sell winger Jesus Navas to Manchester City.

Redbridge score place in finals

Volleyball

REDBRIDGE boys' volleyball team qualified for the Balfour Beatty London Youth Games volleyball finals at Crystal Palace National Sports Centre on July 6.

The qualifying rounds on the boys' volleyball took place at SCORE Centre in Leyton on Sunday June 2 with many of London's top young talent competing.

Team GB Volleyball Olympians Elizabeth Reid and Peter and Dami Bakare all came through the London Youth Games. Redbridge were the final team to qualify on the day.

A number of the team were involved in Chadwell Heath Academy's Under-16 Boys' Volleyball National Championship title win earlier this year.

The east Londoners battled past Haringey in their opening match and finished unbeaten in their pool and were faced with surprise package Hounslow in the quarter-finals.

Hounslow got off to a good start and were soon 5-0 up before Redbridge got back into the game and once they went ahead for the first time at 15-14 they didn't look in trouble running out 25-16 winners with some very impressive offensive play.

The 2013 London Youth Games will be the biggest in history featuring 85 competitions across 33 sports and 27 event days, culminating in finals week at the National Sports Centre Crystal Palace in July where the overall winning borough are awarded the Jubilee Trophy.

Hockey

Waltham Forest Hockey Club has been shortlisted for England Hockey's Club of the Year at their Annual Awards on June 28.

This is a huge achievement and demonstrates the strides forward that the club has taken in recent years in offering Hockey to the local community and launching their pioneering

pan disability Flyerz section.

Waltham Forest's nomination comes off the back of their third annual Adult Beginners course which encouraged over 90 people to try or come back to Hockey last September and a string of events that ran over the previous summer to coincide with the Olympics.

During this time, the club facilitated thousands of people aged from three to 93 and saw numbers bolstered with

a Men's Academy side and a Ladies fifth team launching this year to provide new players and youth players with the opportunity to play competitive hockey.

The club is focused on inclusion with their junior section and Flyerz sections training alongside one another on Tuesday evenings and under 8s sessions running on Saturday mornings.

This is all made possible as a result of

a huge number of dedicated volunteers throughout the club who dedicate their time for free to provide coaching, umpiring and admin support. As a result, all of their junior, disability and adult beginners training sessions are provided completely free of charge.

Pani Theodorou has also been shortlisted for Volunteer of the Year for her role in setting up Waltham Forest Hockey Club's pan-disability Flyerz section.
